Music sofa brings new meaning to musical chairs

Built-in speakers

by Stuart Miles published on 30 March 2007

Those wanting to encapsulate themselves in sound and comfort should look no further than the retro looking Music sofa from Giongkun Wuqiongkun.

Perfect for any self respecting city bachelor pad the built in speakers connect to a CD player so you blast your ear drums with your favourite tunes.

No details as yet on price or availability.

We will keep you posted.
