DoCoMo launches F704i waterproof mobile phone in Japan

"Yeah, I'm in the bath, yeah, the BATH!"

by Amy-Mae Elliott published on 4 July 2007

NTT DoCoMo, the Japanese mobile phone manufacturing giant, has launched new series of 3G phones, including the F704i which is waterproof.

Finally - a mobile you can use in the bath - that's one off the tech-we-need-to-see-before-we-drop list.

Now, about that TV you can watch with your eyes closed...
