Whirlpool launches Berardi Pret a Porter fabric refresher

DIY dry cleaning

by Amy-Mae Elliott published on 16 July 2007

Whirlpool and designer Antonio Berardi have launched a clever gadget - the Pret a Porter, that offers do it yourself dry cleaning, of sorts.

The device can de-wrinkle and refresh two items of clothing at a time.

It's around £2000, available at Harrods, but just think how much you'll save on your dry cleaning bills...
