Casio egg-shaped USB label printer from Brando

Another USB something you didn't even know you didn't need

by Amy-Mae Elliott published on 31 July 2007

Another Brando gadget you didn't know you needed until you saw it ... or maybe not.

This egg-shaped USB-powered device from Casio prints labels onto thermal paper.

So, if you've a dearth of unlabeled stuff ("Dog", "Desk", "Chair", "Wife") then you might find it of use.

\$29, link below.
