Brando's "Super Tiny" microSD card reader

So very super! So very tiny!

by Amy-Mae Elliott published on 2 August 2007

Brando has launched a Super Tiny Card Reader for microSD or TransFlash memory cards with a USB port at t'other end for plugging in to your computer.

"This super mini Micro Drive goes with your mobile life."

Indeed it does Brando, indeed it does. And only \$11, link below.
